

The Child Education Society, the apex body of Bal Bharati Public Schools and other institutions of higher education, was set up in the year 1944 during the pre-independence era with an aim to preserve and foster Indian culture, heritage, tradition and ethos to uphold the vision of our elders. In order to achieve these objectives, it became obligatory for the Society to educate the young people. Thus, the Society was registered under the Registration of Societies Act, 1860.

Today the affairs of the Society are managed by the Board of Management consisting of eminent educationists and social workers. It is headed by Mr. L R Channa, a distinguished educationist and philanthropist, as the President of the Society. The Society, at present runs 27 institutions which include 13 schools, 13 Project schools in collaboration with the Indian Railways and National Thermal Power Corporation (NTPC) and 1 training institute. Bal Bharati Public Schools are comprehensive, co-educational English medium schools. Hindi enjoys its place of pride as the National Language in the school curriculum.

The schools built by the Society are set in congenial surroundings. They are housed in modern attractive buildings equipped with all requisite facilities, well stocked libraries, laboratories, computers, audio - visual equipment, facilities for creative arts, indoor as well as outdoor games and swimming pools.

Bal Bharati's educational philosophy is inspired by the maxim "आ नो भद्राः क्रतवो यन्तु विश्वतः" that is, "Let noble thoughts come to us from all sides." The school provides comprehensive education keeping in view the country's rich heritage and cultural background and provides a plethora of opportunities for the development of different facets of the child's personality.

Besides academic excellence and intellectual development, the school endeavours to help each child discover and develop his/her innate talents and abilities. It seeks to instil in the children good habits, positive attitude and values such as honesty, unselfishness, self-respect, self-control, sense of duty, good manners, fair play, team spirit, dignity of labour, punctuality, compassion, freedom of mind and a rational and scientific approach.

While providing exposure to world culture and traditions, conscious effort is made to foster pride and love for the country and its great heritage among students. The tradition of tolerance epitomized in the noble phrase "वसुधैव कुटुम्बकम्" – "the whole world is one family", is inculcated.

About the School

The School, founded in the year 1944, is the oldest and the largest among the chain of 27 educational institutions established by the Society. The School is affiliated with the Central Board of Secondary Education and also permanently recognized by the Delhi Administration. In an endeavour to **"GO GREEN"**, the school maintains a Rainwater Harvesting Systems, a Herbal Garden and a Paper Recycling Machine. Plantation and Cleanliness drives are a regular feature in the school. Waterless urinals and Push button taps have been fitted to conserve water. RO filtered drinking water is available in both the campuses.

Auditorium

The school has a modern aesthetically designed, centrally air-conditioned auditorium. It is equipped with the latest sound and lighting systems and can accommodate about 350 persons. The auditorium is used for various intra school and inter school competitions and events. In addition, it is also a venue for various workshops, seminars and conferences. The auditorium is Wi-Fi enabled. The GR Campus also has an amphitheater.

Laboratories

The school has well-equipped laboratories for Physics, Chemistry, Computer Science, Mathematics, Biology, Psychology, Meal Planning, and 3-D Learning Lab as well as Atal Tinkering Lab. These laboratories give the students extensive practical experience to supplement the theories learnt in the classroom. The Senior Physics Lab is equipped with an interactive board while the Sr. Computer Lab has 3-D interactive boards.

Art Rooms

There are various Art Rooms in the school to cater to the needs of different departments. The Art Rooms have aesthetically designed furniture; easels and projector with screen. These rooms, tastefully decorated with drawings, paintings & artefacts prepared by the students are the hub for students to express and hone their artistic abilities.

Music and Dance Rooms

The school has provision for well-equipped rooms for Vocal Music, Instrumental Music and Dance at both the campuses wherein the students are trained in various performing arts. In addition, there is a fully equipped recording studio 'Dhwani'; and a Band Room at the GR Campus.

Libraries

The school has three well-equipped libraries. The two libraries at GR Campus are air-conditioned. Each library has a large stock of books including Encyclopedias, Reference Books, Fiction, Motivational books and Biographies, besides a number of dailies, magazines and journals etc. Each of the three libraries is equipped with projector and screen. In addition, e-readers and Laptops are available for students and staff. All libraries have Wi-Fi connection. The system of bar coding has been implemented in the libraries to facilitate the accession process and the stock taking. **Middle Department Library 'Unnayan' has been recently renovated with modern and colorful décor and Resources.** Additionally, to provide relevant academic, ready references and information to the students, the school has prepared an indigenous BBPS –Digital Library for Classes IX to XII. The school has also introduced the system of Classroom Library from Class I to Class VIII. These well-equipped Class Libraries consist of adequate copies of 10-15 titles at least, that are carefully chosen, to cater to the specified age- group and provide a wide variety as well. Every fortnight, each child is issued a book from the class library, in addition to those borrowed from the Departmental Library. An in-house Library for reference purpose has also been set up in Science and Computer Laboratories of the Senior Department.

Games and Sports

The school takes special care of Physical Health and Games & Sports activities by providing the required facilities and coaches for athletics, badminton, basketball, cricket, gymnastics, karate, roller skating, swimming, table tennis, tennis, taekwondo, volleyball, yoga, skipping and chess. State-of-the-art Basket Ball Court and Tennis Court is available. A new cricket pitch has been developed at Pusa Road Campus.

The school has a gymnasium and swimming pool at GR campus and a toddler's pool at Pusa Road. The school has a skating rink both at GR campus as well as PR campus. Besides Annual Sports Display, Sports Day is held for different classes on different days to ensure 100% participation of students in Sports Activities.

Monthly sports activities for Pre School, Pre Primary, and Classes I to III as well as intra class matches for Classes IV to XII in different games are regularly held.

The Bal Bharati Activity Centre at Solan (H.P.) gives every student the opportunity of participating in various kinds of adventure sports and enjoy the benefits of community living.

Medical Room

The school has a clinic at each of its two campuses i.e. Ganga Ram and Pusa Road which are equipped to deal with emergencies as well as routine health related issues. There is a full-time doctor and a nurse available during school hours, in the Medical Room. In case of an emergency, the student is immediately transferred to the Ganga Ram Hospital with which the school shares an abiding contract. A periodical medical checkup is conducted for each student, its record is maintained and shared with the parents.

Language Room

Under the aegis of Goethe Institute, Max Mueller Bhavan, New Delhi, the school has been provided with a well-equipped language room. The Audio-Visual System and the other teaching aids enrich the teaching- learning process by making it more interactive and student-centered. Pasch has also provided more than 1000 books for the school library. These books cover a wide range of topics for all the levels (A1- B2) and include Easy Readers, Grammar, Vocabulary and picture books etc.

IT Enabled Classrooms

The school provides computer aided learning to all students. There are four computer labs, one each for Primary Pusa Road, Primary GR Campus, Middle and Secondary & Senior Secondary classes. These air-conditioned labs are well-equipped with the latest generation of computers and printers. Primary GR Campus and Middle computer labs have been revamped with the latest computers to meet the changing technological needs. CRISP (Consortium for Research and Innovation in School Pedagogy), an online connected classroom portal empowers Primary Department teachers and learners, to share digitized information and access classroom lessons from anywhere with the ease of a click. Interactive boards are available from Classes I to XII to enhance the quality of teaching and learning. A whole range of course material incorporating the CBSE syllabus with graphics, diagrams, illustrations and animations in 3D format is available. In addition, the libraries, Labs and Engineering Graphics Room is also equipped with computers. Additionally, 100 tabs loaded with Funfoot and Khan Academy are available for students to practice Maths and Science. A specialized 3-D Projection System is used by students of all classes for Science and Math. The school is a part of Microsoft Aspire School Program (MASP) and uses licensed software of latest version in all IT enabled devices.

Resource Rooms

The school has well-equipped Resource Rooms for teachers, both at the GR & PR Campus. This facility, complete with internet connectivity, printer and scanner, enables teachers to research, prepare and enhance resources for effective teaching.

Safety and Security Measures

All measures are taken by the school authorities to ensure safety and security of students and staff members. The supervision of the campus is aided by the closed-circuit TVs and Public Address System. Firefighting readiness is also in place. Visitor Management System is used to monitor the entry of the visitors to the school. Scattered dispersal plan for safe and smooth departure of students is followed. School has constituted a Sexual Harassment Committee to ensure immediate action on any untoward incident. Safety and Security of the students being the primary goal, a specially constituted team practices monthly safety walks within and around school premises. These safety marches ensure a regular check on unforeseen hazards. All school buses are fitted with CCTV Cameras, GPS tracking system and speed governors. Parents of Bus Users have been provided with an App to monitor the location of Bus enroute and estimate the time of arrival at their bus stop. Teachers are put on bus duty on all routes regularly. 22 lady guards have been deployed in the school buses and premises. The school security system works 24X7.

Disaster Management

The school has a well-defined disaster management plan. Students are sensitized to the discipline involved in the mitigation and management of risks related to pre and post disaster scenarios.

The Disaster Management Committee organizes routine drills in evacuation; conducts awareness workshops; and arranges lecture-demonstrations for staff and students. Evacuation routes have been precisely chalked out and signages are well displayed. Firefighting equipment has been provided strategically at various points in the school campus.

Academics

Pre School/ Pre Primary

At the Pre Primary level, educational programmes based on Montessori philosophy and method are followed. There are 20 large fully furnished training halls, where the tiny tots learn in an informal way at the various Learning Centres, with the help of specially designed apparatus under the supervision and guidance of trained and experienced teachers. Special attention is paid to facilitate the physical, mental, emotional and social growth of the child through a series of well-coordinated activities. The Department follows no-homework approach and every child is allowed to progress at his/her own pace.

Primary

At this stage, formal teaching of academic subjects, such as English, Hindi, Maths, EVS, Social Studies and General Science is introduced. Emphasis is laid on balanced and harmonious development based on a judicious mix of academics with the help of interactive learning system following the CCE pattern of education prescribed by the CBSE, Creative Art, Physical Education, Yoga, Educational Tours, Excursions and outings. Integrated approach to teaching is practiced to optimize learning, keeping in mind the varied interests and learning levels of children. To inculcate team spirit, raise confidence, self-esteem, and facilitate the process of teaching-learning, Theatre in Education serves as a significant and useful tool.

Middle

Here, learning is an extension and further consolidation of the educational programme that starts at the Primary stage. Besides the academic subjects, a third language is taught from Class VI to VIII. A structured Life Skill Programme is run for all students. Students are encouraged to participate in Creative Arts such as Dance, Drama, Music and Craft. Regular assessments are held over two examination terms with special emphasis on Subject Enrichment Activities and Notebook Appraisal. Flipped Classroom, an innovative instructional strategy that reverses the traditional learning environment, forms the basis of all teaching-learning.

Secondary

Students are assessed as per the guidelines of the Central Board of Secondary Education. Regular Periodic Tests and Subject Enrichment Activities ensure evaluation of both scholastic and co-scholastic areas.

Senior Secondary

At the plus two level, Science, Commerce, Humanities and Vocational Streams are offered along with English as a core subject. The Science stream offers PCM group with Biology/Computer Science/Engineering Drawing/Physical Education/ Psychology. In the Commerce Stream, the students have an option of studying Advanced Accountancy, Business Studies, Economics with or without Mathematics. The Vocational Stream offers Front Office Management.

Foreign Languages

Today, education aims at being broad-based and eclectic wherein knowledge of a foreign language is always considered an added qualification. The school has provision for teaching of German & French language at the Middle and Secondary levels.

Co-scholastic Activities

Varied activities are available. These include Computer Skills, Art & Craft, Dance, Vocal Music, Instrumental Music, Dramatics, Yoga and School Band. An all - Girl Band is the newest initiative of the school in this sphere.

NCC

The school has set up Junior National Cadet Corps (NCC) unit, under the aegis of Directorate of NCC, Ministry of Defense with a purpose to create proficient and self-driven youth with Leadership qualities.

Academic Achievement

The school, which is one of the founder members of the 'National Progressive Schools Conference' is known for its high academic standard evident from the outstanding performance of the students at the All India Examinations. Every year a number of students distinguish themselves by gaining admission to reputed institutions such as IITs, DTU, Regional Colleges of Engineering, AIIMS, Delhi School of Planning and Architecture, Mass Media Communication and National Law Universities etc. Results of the school in Class X and XII Board Examinations have always been of a high order.

Promotion of Life Skills Counselling

The school provides counselling in the following areas:

- a) **Counselling for students** - We aim at preventive rather than a curative approach to counselling. In this regard, the Life Skills Program at school covers aspects such as decision making and assertiveness training for students of Classes VI-X. It is conducted by the Counsellor and by Peer Moderators. Structured outsourced life skills programmes are also conducted. In addition, Career Counselling sessions through various seminars and career talks are conducted regularly for students at 10+2 level, thereby enabling students to make informed career choices.
- b) **Plan for Special Children-** The school has a well-defined counselling plan for students with special needs. Special children (students with Learning Disability, Attention Deficit Hyperactivity Disorder, Slow Learners etc.) are identified by class teachers using a referral form. The team of Special Educators and the Counselor then proceeds with the intervention as per the severity of the problem. Individual teaching plans are chalked out and executed. The child's progress is constantly monitored. Education programmes, such as 'Samanvya', a special programme to enhance English language Skills of such students, ensures enhancements of their language competencies
- c) **Counselling for Teachers** - Workshops are organized for professional enrichment of faculty members as well as to sensitize them to various issues pertaining to students such as identification of special children, behavioural concerns etc.
- d) **Counselling for Parents** - Counselling is provided to parents in order to inform them about the innovative educational programs and other issues related to their respective wards.

Value Education Programme

The school believes in inculcating values among students for their holistic development. In addition to Theme-based Morning Assembly programmes, activities of Heritage Club and celebration of national and international days, the Awakened Citizen Programme is being run in school in association with Rama Krishna Mission, New Delhi.

Newspaper in Education Programme

The NIE Program of the school is aimed at empowering the young learners to be responsible global citizens of tomorrow. The Program encourages them to read newspapers regularly so as to be aware of social, economic and political scenario within the country and around the world.

The school has been a regular member of the PACE Program of 'The Hindustan Times' , the Newspaper in the Education programme of 'The Times of India' as well as 'The Hindu'. With an aim to educate and empower the parents for effective parenting, the school has also initiated subscription to the popular magazine 'Parents' World' for the parents.

Clubs

The school has a number of clubs as a part of the life skills program, each initiated to fulfill numerous secondary objectives, like the development of the skills needed for life such as communication, decision-making, critical thinking, managing emotions, assertiveness, self-esteem building, resisting peer pressure, and relationship skills but with a common primary objective which is to bring education closer to life.

The school has the following clubs:

Astronomy Club, Commerce Club, Dramatics Club , Economics Club, Environment Club, Heritage Club, Interact Club, Photography Club , Literary Club, Robotics Club, Health and Wellness Club , Tech Club, Tod Fod Jod Club, Horticulture Club, Speak up, Stand up-Debate Club, Quizzing Club, Aao Haath Barhayein Club, Budding Scientists Club, Me the Bookie Club, Explore thy Country Club, Little Crafty Hands Club, Numero Mania Club, Hamaari Bagiya Club, Sporty Champions Club, BEST Club, Safety Club and Vernacular Club. The school also has provision for training of students in videography. State-of-art equipment has been purchased to facilitate the same.

Minimum Fitness Programme

Under the aegis of the Sports Council (CES) the school has implemented the Minimum Fitness Programme under which cycling in Classes Pre-School and Pre-Primary and swimming (up to class V) are compulsory for all students. Each child is encouraged to play minimum two games. In addition, intra class matches are held, specialized coaching in different games is provided, the health of each child is assessed, and fitness cards are issued.

Workshops and Seminars

A wide array of workshops are regularly organized for students, teachers and parents that not only help to give a hands-on experience but also motivate and inspire the learners to be worthy human beings.

Workshops for Students- Various workshops on Career Options, Value-based Issues, MUN Training, Cyber Crime, Road Rage etc. are organized for the benefit of students.

Workshops for Teachers – To create a spirit of enquiry among the faculty members and keep them abreast of changing paradigms, in-service training programs and workshops are a regular feature.

Workshops for Parents – To keep the parents updated on changing patterns of the Education System and help them deal with age specific issues, workshops are organized.

House System

The students of the school are divided into eight Houses, each at the Primary, Middle, Secondary and Senior Secondary level. The House is managed by Housemasters. The Housemasters select House Captains, Assistant House Captains and Sports Captains. It is compulsory for each student to be a member of a House. The main idea of the House System is to inculcate in our students the essential qualities of leadership, teamwork, co-operation, mutual understanding and self-reliance. Various inter-house activities are held for this purpose throughout the year. In addition, each House in every department is given a theme on which the students present the morning assembly programme as per schedule.

The various houses are Abhimanyu, Ashoka, C.V. Raman, Jawahar, Mother Teresa, Shastri, Shivaji and Subhash.

Student Council

A Student Council is constituted each year by each department and appointed via a formal Investiture Ceremony. This team works closely with the authorities to support the institution in its everyday functioning. This student body acts as a link between the teachers and the students and also takes on the responsibility of guarding/leading the students appropriately. The core group of this body of students comprises the main office bearers, namely the Head Boy, Head Girl, Deputy Head Boys, Deputy Head Girls, Cultural Secretaries and Sports Captains. In addition, each department selects a capable team of prefects to carry forward the tasks at hand.

School Publications

Sagarika(Annual)- The school publication Sagarika has been for decades a medium for news and views of Bal Bharati Public School, GRH Marg. Sagarika in its present form has some regular features. A large section of the Magazine is reserved for creative composition of the students.

Sagarika Newslines(Quarterly)- A departmental newsletter is published on a quarterly basis covering the important school news. Thematic newsletters are also published.

Souvenir- Every year, on the occasion of the Winter Carnival, a Souvenir is published which highlights the important aspects of the previous session.

Other Publications include - Student Diary, Teacher Daily Diary, Teacher Weekly Planner, Teacher Handbook.

School Table Calendar- The school table calendar published every year acts as a ready reckoner for information related to school events and activities. In addition, the artwork of students published in the calendar encourages talented students to continue their efforts.

International Dimensions

The school aims at nurturing young students as global citizens through intra and inter school activities. Students are familiarized with various cultures and lifestyles while also getting an exposure to global issues. Being the recipient of the International School Award for the fourth consecutive time, an accreditation scheme of the British Council, firmly establishes that the school has added an international dimension to the curriculum. International projects through Max Mueller Bhavan, British Council and Australian High Commission have helped to create ties with Germany, the UK and Australia respectively. Exchange programmes with schools in Germany and Poland provide first hand experience of the culture of these countries through host stay programmes. In addition, video conferences with schools in Europe and other countries are held through Generation Global and 'EUmind' programmes.

Parent Teacher Association

All parents are enrolled as members of the PTA. Executive Committee of the PTA meets from time to time to extend a helping hand to the school to achieve its aims and objectives. It plays a key role in the developmental activities of the school and welfare of the students.

Alumni Association

The Alumni Association represents a bonding, not only among members, but also between members and the school, its administration, teachers and students. Consequently, in addition to providing reunion opportunities to its members, the Alumni Association also attempts to establish a fabric of networking among all pass-outs of Bal Bharati Public School. Thus, all can benefit from the huge reservoir of expertise, knowledge, talent, power and position represented by the alumni members, belonging to diverse occupations.

Awards & Scholarships

The school provides awards to meritorious students in academics as well as for outstanding performance in music, dance, art & painting, games & sports etc. every year.
