Dear Parents

I welcome all children on a journey of focus, passion, perseverance and commitment. With the faith I feel honoured to have the opportunity of shaping and guiding the young minds on the right path. The aim is to empower the child. Children are curious, creative, innovative and born learners. Here children are not just given wings, but the school also ensures that they develop strong roots. Swarnprastha Public School offers best of schooling with world-class facilities for growth in academics, sports and creating confident global citizens. We have teachers who can unlock young minds. We welcome you to visit us on a normal school day to see our teachers in action and experience the life at SPS for yourself.

Where the **mind**  
is without  
**fear** and the head is held high  
Where knowledge is free  
Where the world has not been broken up  
into fragments by narrow domestic walls  
Where words come out from the depth of truth  
Where tireless striving stretches its arms towards perfection  
Where the clear stream of reason has not lost its way  
into the dreary desert sand of dead habit  
Where the mind is led forward by thee  
Into ever-widening thought and action  
Into that heaven of freedom, My Father, let my country awake.

— Shree Rabindranath Tagore
