About Institution

Introduction

Shri Thakurdwara Balika Vidyalaya, established in 1994, by some eminent and enlightened citizens of Ghaziabad, is one of the very few schools in the city. The motive of the school is to impart better education opportunity for the girls which also lights on the pocket of the average population of the city. The School Authority has structured the fee according to the affordability of the middle class group of the society. Even building fee (in any form) is not charged from the students/parents. Infact all the building is being constructed from the donations received from the members of school society. This motive is inspired by the need and the wish to provide a better and an improved society by educating the better half of the society. It provides a platform for the girls to cultivate physical, moral and intellectual capabilities/talents. And thus, it helps them to prepare for the various challenges faced by them at different stages of life.

The Institution "Shri Thakurdwara Balika Vidyalaya" is on its way in proving to a milestone in the education of girls who are responsible for the continuation and development of human race.

The School is situated in heart of the city at Hapur Road T-Point, G. T. Road, Ghaziabad. It is adjoining to Shri Thakurdwara Temple.

Our Mission

The School aims at all round development of personality of its students in order to meet the challenges of modern life. Imparting education of different fields, students can be successful in every sphere of school activity. The ultimate objective is to cultivate the spirit of devotion towards duty, discipline, integrity, humanity, selflessness & loyalty and to produce good citizens by imparting to girls a sound moral, intellectual and physical education with a view to develop their talent and potentialities and to prepare them to face challenges of real life practically.

Words from Principal's Heart

Dear Parents and Students,

“Never stop learning, because life never stops teaching.”

To express my views about Vidyalaya, of which I am an active part, is certainly a matter of pride for me. This time the circumstances are totally different and really it is a very tough time for everyone. We all are aware that the COVID-19 (Corona Virus) situation makes an anxious and challenging time around the world.

It is remarkable that we managed to deliver a distance and digital learning platform as swiftly as possible. When Online Learning was not an ideal, our teachers and students certainly make the most of it and making this online experience better day by day.

This would be possible only with the blessings of God and optimistic approach and encouragement of our Founder Manager, Shri Ajay Goel and joint efforts of our Dedicated Staff Members, Hardworking Students and Supportive Parents who encourage us and support the decision, we make to manage the changes that pandemic has inflicted on us.

The Corona virus pandemic is a reminder from nature that we are insignificant. Recently, we have found that the crisis of Covid-19 goes hand in hand with a positive shift in Public Awareness of nature. There is no doubt that Lockdown, Quarantine and distance from society have brought many behavioral changes in Lifestyle, Economy, Education and Environment. It's a tough time, but we will go through this.

Looking forward for smooth and rewarding journey in the coming session too...

With all good wishes for everyone's Health & Safety.

A. Laboratories

- 1. Science Lab :** The School is having separate laboratories for Physics, Chemistry and Biology. The aim of these labs is to create active interest in scientific learning and to develop scientific attitude in students.
- 2. Maths Lab :** Without any use of Maths, there will be a pause all around the world, it is, therefore a significant subject but the main problem is the way of presenting the subjects especially with a child of less aptitude. The School aims to make this subject easy & simple and in order to comprehend certain difficult concepts, our lab is well equipped with basic models and theorems in Maths.
- 3. Home Science Lab :** "Home Science is concerned with the attainment of the well being of individuals and families, the improvement of homes and preservation of values significant in home life"..... **Ellen Richard**
Keeping the views of Ellen Richard in mind, the school has Home Science as a subject for XI & XII class students. To make this subject interesting and appealing, different practicals are organised by the teacher in Lab.
- 4. Social Studies Lab :** To make this theoretical subject simple, lucid and easily understood by the students, we have, well maintained S.St. Lab with the aid of innovative approach like projects, models, etc. so that our students are able to understand this subject interestingly.
- 5. Computer Lab :** "A Computer is a combination of IT Basics, IT Tools and IT Applications and Much more". This School trusts in providing an ample opportunity to its students to ensure consistency. So we are providing two Computer Labs with projector and hi-tech computers having internet facility. Senior Lab is mainly meant for classes XI & XII and Junior Lab for classes VI to X.
- 6. Commercial Art Lab :** Commercial Art is a part of Applied Art. The objective is to increase creative skills among students. They can be self dependent by adopting any of its courses after XII. In future they can become a Freelance Landscape Artist, Book Cover Designer, Poster Designer, Good Calligrapher etc.

- 7. Fashion Studies Lab :** The School has a Fashion Studies Lab to provide the students independent course in the field of Fashion Studies. This is a path consisting of modular studies and points out their skills in drawing, knowledge of fabrics designing and garments stitching moreover Fashion Studies provides the comprehensive opportunities that prepare the students for their future careers in this field.
- 8. Music & Dance Room :** "Music & Dance are God's most magnificent and delightful gifts that bring joy to the body and calmness to the soul".
Keeping this view in mind, we have a well-equipped Music and Dance Room having various musical instruments. Students learn there to play different musical instruments and also learn different forms of dances.
- 9. Gymnasium :** The School has a gymnasium for the students to build up strength, stamina and speed that are vital for games & sports.
- 10. Smart Class Rooms :** In an era of IT revolution, teaching can not stay far behind. Teaching at the school is a fine blend of latest multimedia technology. Students get all the ICT support in their Smart Class Rooms and are encouraged to perform as digital learners.
- 11. Audio-Visual Room :** Our school has a well-equipped & furnished Audio-Visual Room. The main purpose of having this facility for students is the fact that whatever is seen by our eyes is retained by the brain more effectively than just reading or listening to it. The A.V. Room caters for junior as well as the senior sections of the school. Latest technique of multimedia projector is employed here. The many faceted Audio-Visual Room is used to show visuals and slides pertaining to study different subjects, to demonstrate theorems, rules in Physics laws and experiments. It helps to visualize the experiments to be performed in Labs and it shows practical Day-to-Day Applications of the Scientific Laws. Students can also demonstrate their prepared projects with the help of Projector.
- 12. Language Lab :** Our school constitutes a well-furnished Language Lab which is used for learning through teacher's console and Language Learning Software. It acts as a platform for learning, practicing and producing language skills through interactive sessions & communicative mode of teaching. It helps to maintain good linguistic competence through accuracy in grammar, pronunciation & vocabulary.

B. Library

An overall development of mind is always in need of healthy, sound & tranquil environment. Keeping this thought in mind we are having two well-equipped libraries in our school. One is Junior Library mainly meant for classes VI-IX and other is Senior Library mainly for X-XII. These two libraries have more than 27,000 books and an ample space where students can read. Certain features of our school libraries are:-

- ◆ Well stocked foreign edition of books.
- ◆ Book sets and refreshers for board students.
- ◆ Encyclopedia and reference books.
- ◆ Number of magazines is about 35 monthly.
- ◆ Facility of one library card is given to the students to have an opportunity to issue two books for enhancing their reading capability.
- ◆ Provision of free books for financially weak students.

"Reading is to the mind, what exercise is to the body". (Richard Steele)

Virtually, the words of Richard exhibits to be true & trustworthy with the help of well- equipped library.

C. Medical Facilities

" A Sound mind lives in a sound body."

The School has a well-equipped and air-conditioned health unit that looks after the well-being of all the students during school hours. Our well trained and qualified nurse keeps an eye on their general physical condition and provides first-aid treatment in the times of need. The nurse also provides them advice on Food & Nutrition.

The School is promoting co-curricular activities for the holistic development of the students.

It is imperative that the child must pass in Annual Examination separately for promotion to the next class. Progress Report of the students is sent to their parents twice during the session once at the end of Half Yearly Examination & finally after Annual Examination.

3. Faculty Members

The School has a highly qualified team of experienced teachers under whose able guidance, the students pursue their studies and cope up themselves in different fields. Ratio of teacher and students is 1:25 in the school. Every care is taken by the teachers to develop the talents and potentialities of our students.

B. Personality Development

(1) Co -Curricular Activities

The School lays special emphasis on co-curricular activities as they make the girls more initiative and develop good habits. They also led to an all round development of personality. Various Competitions such as group and solo song, debate, essay writing, quiz & art competition are being held on alternate Saturdays throughout the year.

(2) Inter School Activities

The School organises various inter school activities to build confidence which may enable them to take up any challenge that may come across in life. The School has been and will be representing the school in various Inter-School competitions like Dance, Debate, Painting, Rangoli, Mehandi, Athletics, Hockey, Skating, Kho-Kho, Basket Ball, Net Ball etc.

(3) Houses

The students of the school are divided into four houses named **Laxmi, Gargi, Kasturba and Teresa**. Each House works under the guidance of House Incharges and other team of teachers that encourage and help them to take part in various co-curricular cultural activities and competitions. The School lays great emphasis on these group activities as they help in all round development of personality of the students and brings out best qualities of character i.e. leadership, co-operation, discipline, self sacrifice and self control.

(4) Dramatics

The students put up plays in English & Hindi and Dance performances covering different topics and impart various lessons and morals to the entire school.

C. Physical Development

1. Physical Education & Gymnaesium :

Besides training of intellect, the school lays stress on sound health of the students. Physical exercises and games are compulsory so that the students enjoy good health and sound mind. Girls play the following games: Basket Ball, Badminton, Throw Ball, Kho-Kho, Volley Ball, Table Tennis etc. The School maintains extensive play ground for this purpose. A special room is equipped for gymnastics and other physical exercise.

The Annual Sports day is organised in the month of December / January every year and the winners are awarded with prizes and certificates. Students are also trained & motivated to participate in the Inter School, District level, State Level and National Level Competitions.

2. Self Defence :

For self defence Judo and Taekwondo activities are organised weekly in Activity Period. Trained coaches are provided to Junior as well as Senior sections.
